Attachments: 2014 07 31 Letter from Flathead Lakers to Mayor Dan Barnhart.pdf

I want to pass along this letter that I was cc'ed on and just received in my mailbox today from the Flathead Lakers to Columbia Falls Mayor Dan Barnhart. In the letter, the Flathead Lakers' President and Executive Director state they support Columbia Falls' efforts to engage DEQ and EPA for further investigation at the CFAC smelter site.

As of now, I have not had any communication with them, but will plan on reaching out to them during our next round of stakeholder updates this fall.

Let me know if you have any questions,
Rob
